Honeywell Home

FocusPRO® P200 Programmable Thermostat

Designed for Pro Ease of Use

Introducing a simply better programmable thermostat. The Honeywell Home FocusPRO P200 is designed for pro ease-of-use and profitability. It reduces job complexities and time on-site while supporting recurring business thanks to its broad system compatibility, UWP® wall plate, large display and clear font, snap-on private label, and competitive price.

FocusPRO® P200 Features

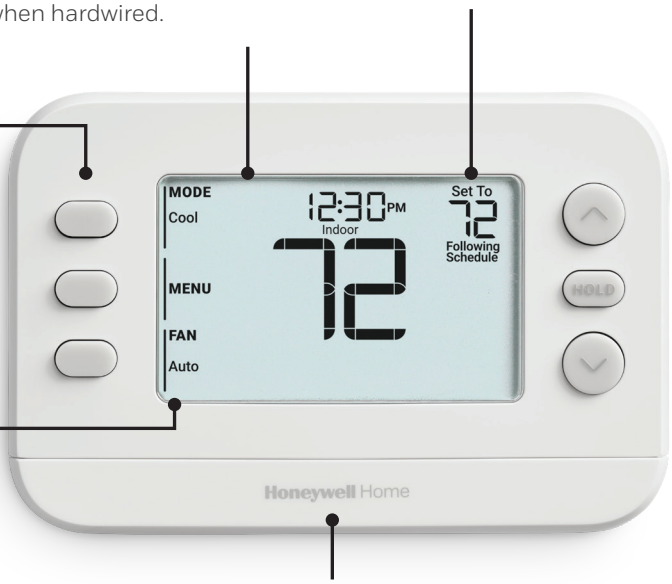

Designed for Pro Ease of Use

Large Display
Gain the visibility you prefer thanks to a 4.84 sq. in. digital display with clear font, plus an optional always-on backlight when hardwired.

Flexible Scheduling
Personalize temperature settings to fit your schedule.

UWP® Wall Plate
Supports a speedy installation and service process while simplifying the path to upgrade.

User-Friendly Design
The intuitive interface makes it easy to navigate and program.

Customizable
Option to receive filter reminders and select display settings.

Private Label Program
Customize product with your company contact info. The interchangeable, snap-on accent piece simplifies the private label process, so you can focus on supporting customers while improving retention and recurring business.

Broad System Compatibility
Supports up to 3H/2C heat pump and 2H/2C conventional systems, plus single-stage 1H/1C models. An extended setpoint begins at 32°F (0°C) and wired outdoor sensor compatibility brings added benefits.

Warranty
5-year warranty.
